Year 5 Visit the British Museum

The Year 5 classes enjoyed a trip to the British Museum to learn about daily life in Ancient Egypt. They also saw real mummies and learned about mummification. The children also saw some magnificent monuments, including the statues of Ramses II, highly decorated false doors and, the subject of their chronological report, the wonderfully important Rosetta Stone.

Mental Health Awareness Day

On Wednesday 10th October George Carey School held a 'wear yellow' day to support mental health awareness. Children and staff came to school dressed in yellow and made donations of £1. We would like to inform you that on this occasion we were able to raise £317.50 to donate to the Mental Health Awareness charity. Once again, we would like to thank all the children and staff who took part and donated to this important charity.

Falcons Trip to the Ben Kinsella Trust

On Thursday 10th October Falcons Class visited the Ben Kinsella Trust in London to take part in a workshop about keeping children safe. Ben Kinsella was a tragic victim of knife crime and was killed at the age of 16 years old. The trust, now set up in honour of Ben, aims to teach young children about the choices and consequences of knife crime. As a school we are mindful of the number of young lives that are lost each year to knife crime and wanted to keep our children informed and help them to stay safe by making the right choices. The children and staff had a very informative day.

Year 2 Visit to The Tower of London

This week the Year 2 classes visited the Tower of London. The Tower of London, officially Her Royal Majesty's palace and Fortress of the Tower of London, is a historic castle located on the north bank of the River Thames. The children had a fantastic time seeing the sights. We would like to thank the Year 2 team for organising the trip and the staff that accompanied the children on the day.
