

Reception Newsletter

07.02.20

This week, we have learning about other ways of keeping our bodies healthy, specifically exercising. In Literacy, we read the book 'The Animal Boogie'. We also enjoyed learning the song and doing the same actions the animals did. In Maths, we learnt new vocabulary to describe the capacity of an object, i.e. how full or empty a vessel is.

Next Week's Learning:

Maths: We will be exploring the number 16. We will also be learning vocabulary relating to the position of an object (on, under, behind, next to etc)

Literacy: We will be learning about ways to keep our teeth clean through a video called "Topsy and Tim" visit the Dentist". We will then write captions and sentences about keeping our teeth clean.

Communication and Language: We will be having a class discussion about visiting the dentist and ways of keeping our teeth healthy.

Expressive Art and Design: we will be using toothbrushes as a different tool to create pictures.

Physical Development:
We will continue practising getting changed independently. We will also continue practising skills needed to play basketball.

Personal, Social and Emotional Development: we will be learning how to brush our teeth.

Understanding the World/ RE: In UW, we will be discussing how we help at home. In RE, we will be learning about Muslim's place of worship.

Notices:

- Due to the walkway in the Reception playground being smaller, to avoid congestion the doors to gain access to your child's class will be opened from 3:05pm. If you wish, you may collect your child earlier. Please note this will only be until the playground has been completed.
- PE on Monday. Please ensure your child has their full PE kit (labelled) in a separate bag from their school bag.
- Reading morning on Tuesday from 8:45am.
- Next Friday is the last day of school. School finishes at 3:15pm.
