

Stargazers

Below you have a range of activities to complete. You MUST complete at least 5 of these- one per week. Tick which activities you have completed.

You can complete these in your homework book unless you choose to make a model. **DEADLINE: Wednesday 18th December**

<p>Imagine... an alien space ship has crash landed in your back garden. Write a story about what happens next. You may want to borrow ideas from space stories or films you know well. Remember to use powerful vocabulary to bring your story (and your alien) to life!</p>	<p>Write a letter of application to the UK Space Agency to become an astronaut. What personal qualities or skills would you need to carry out this role?</p>	<p>Design and create an astronaut space helmet or alien headwear using junk materials. Bring it to school and take part in a space-inspired fashion parade!</p>	<p>Teach your family the order of the planets in the Solar System using your mnemonic, then test them! Have they remembered correctly?</p>
<p>Make a 3-D model of the Solar System which displays all the planets in order.</p>	<p>Write a film review of a space-themed film that you have watched with your family. Some great films to choose might be <i>Wall-E</i> (U), <i>ET</i> (U), <i>Star Wars</i> (PG) or <i>Apollo 13</i> (PG). How many 'stars' would you award your film?</p>	<p>So far, 24 astronauts have visited the Moon. Find out their names, download pictures and record interesting facts about them.</p> <p>Speak to your Parents- what do they know about any Astronauts....</p> <p>To infinity and beyond.....</p>	<p>Visit your local library and search for space-themed books. These could be nonfiction, novels or poetry books. Write a review of your favourite to display in the library or school.</p>
